Online Pre-Surgical History Instructions

Welcome to North Pointe Surgery Center. We're very pleased that you and your physician have chosen us to care for you

Our center requests that you fill out our medical history online, whether on a computer or mobile device, with MyLGHealth as soon as your surgery has been scheduled. Once you do this, our Pre-Anesthesia Testing nurse will be able to access the information you entered online. This information will help our nurse prepare you for your surgery. For your convenience, an automated email, phone call, and/or text will be sent as a reminder to complete this information prior to your surgical date. If you no longer wish to receive the text messages, reply STOP to the original text.

Be sure to have the following information available before starting your Questionnaire:

- A list of all medications you are taking, their dosage, and frequency
- A list of surgical procedures you have ever had and their approximate dates
- A list of all medical diagnoses

To Begin your questionnaire through MyLGHealth:

1. Go to MyLGHealth website: <https://www.mylghealth.org/mychart/>
 - a. If you do not already have a log in click "Sign Up Now" on the right side of the screen and fill in the information.
 - b. If you do not have an activation code click "Sign Up Online" on the right side of the screen and fill in the information
2. The questionnaire will be in the HEALTH icon that looks like a file folder with a Red Heart on it.
 - a. When hovering over the folder there will be 2 columns. The column on the left is labeled "Medical Tools" the Questionnaire section is in that column.
3. Click on Questionnaires and then complete them.
4. At any time, you can quit filling out the questionnaire and come back to complete it at another time.

Note: If you are NOT able to complete your history online, please call our Pre-Anesthesia Testing nurse at either location. Please allow 20-30 minutes for this call. If the nurse does not answer, it means they are on the line with another patient and will return your call as soon as they can. Please understand if your procedure is more than a week out the nurse may not return your call within the next 24 hours, but will return your call closer to your surgical date.

- Lancaster: 8:00am – 5:00pm at 717-391-2486
- Lebanon: 8:00am – 4:00pm at 717-675-1337

About MyLGHealth

Completing a *MyLGHealth Questionnaire* online is easy. For most patients, filling out the entire questionnaire takes less than 30 minutes. Please fill out the questionnaire accurately and be assured that all of your information is kept confidential and will be thoroughly reviewed by our medical team.

Important: For all procedures it is required that you have a responsible adult accompany you to the surgery center, remain at the facility during your procedure, drive you home after, and stay with you overnight.

A nurse will call you after 3:00pm the day before (on Friday for Monday surgeries), with instructions and your arrival and procedure time.
